

"By the grace of God, he survived" - Family

Gary, Indiana is where He was born. severely premature at 1 pound and 3 ounces. By the grace of God, He survived. Survival gave him purpose in life from the very beginning. He knew that he had a mission to fulfill on Earth, and he learned early to recognize my talents and gifts. Being *HELPFUL* and *HOPEFUL* were his callings that he answered early.

At an early age he developed a strong passion for the arts. Especially literature! He became passionate about reading as many books as he could, and found enjoyment in connecting with characters, plots, and different styles of narratives. By high-school he found my first job at the local library, the perfect environment to relish in my favorite past-time.

As he grew into an adult, my hobby turned passion for Storytelling took a life of its own. He began to develop and write my own series of stories, novels, plays and other creative projects. Currently he has found a personal success in producing my stories, in addition paved way for my other talents to make room as a dedicated entrepreneur and business owner.

Since he can remember, he has always been passionate about storytelling and impressed by the influence it has on people and the decisions they make in life.

Throughout life, he has dedicated my purpose and my mission to being *HELPFUL* and *HOPEFUL*. His life's work has been dedicated to HELP women be set free from abusive relationships and to provide HOPE to victims of domestic violence.
